

EasyFund™

Completing a payout is even easier with the new electronic fund transfer option.

EasyFund™ is a secure electronic portal that enables legal professionals to transfer closing funds and pay out disbursements without leaving their desk.

We have enhanced the portal by adding Electronic Fund Transfer (EFT) as a "Payment Method" option. With this option, you now have full control over the banking information entered into EasyFund™, eliminating the need to upload a void cheque and manually inputting banking details or creating a separate task in Conveyancer.

How it works

- Create a new disbursement
- Select **Other** as Payee Type
- Enter **Payee Name**
- Enter **Amount**
- Select **EFT** as Payment Method
- Enter Transit Number
- Enter Bank Number
- Enter **Account Number**
- Enter **Payee E-Mail Address (optional)***
