

Authenticate with confidence, every time.

FCT Client ID Verification

A quick, secure digital solution designed to authenticate your clients' ID documents in minutes, whether you're interacting in person or online. Backed by Bluink's expertise and trusted technology, it's now easier than ever to safeguard your business against ID fraud.

Secure. Fast. Compliant.

Protect your business from identity fraud with a solution that meets Canadian Law Society requirements, complies with DIACC standards, and fulfills your legal KYC obligations.

Quick and simple

Clients can verify their ID and authenticate identity documents directly on their smartphone in just a few minutes.

Secure digital wallet

Once completed, your clients' verified ID is stored on their mobile phone. They can rest easy knowing that they have control of their own information, on their own device, in a secure digital wallet.

All-in-one management

Handle all your Client ID Verification requests from a single, convenient portal. If you have online credentials with FCT, you can start using this service immediately.

More protection and more flexibility for legal professionals:

Enhanced fraud detection:

- Additional authentication checks for even greater protection against fraudulent activity.

More control:

- Edit or cancel requests with ease for greater task management flexibility.

Streamlined insights:

- Clear and concise summary report delivers key details at a glance.
